Rally Ho

ONE ZONE—ONE SERVICE
COMMUNITY

The Mill Creek Lions invite the entire Zone, their families, and prospective members to the first annual Road Rally and picnic. It will be held September 11th, first carload leaves Mill Creek at 1 PM and each additional vehicle in 3-minute intervals. I understand that the driving portion will last from one to two hours and there will be check points along the way. They promise that the directions will not be too abstract, but if you get turned around you can call in for a clue, so bring your cell phone.

This is a pot luck picnic but Mill Creek will cook hot dogs for all. Please bring either a side dish, salad or dessert to share. They are planning to eat about 3 PM. A head count would be nice so they know how many hot dogs to purchase. Please RSVP to me up through the Thursday before. Find out at the last minute that you can come? Please do come! We want all to attend.

For several years I have been concerned for the clubs in our Zone. Many of us, and our clubs are getting older and unable to do as much as we have in the past. There are clubs in our District that have long standing projects which they are letting go, because they do not have the man power or stamina to continue on. Projects which benefit and have the support of the entire community.

The first Zone project I was involved with was when Virg Flaim was Zone Chair. He was able to get every club involved. It was a great time and I got to know members of other clubs that may have never known. Some were great Lions from whom I learned several things.

One of the ideas I came away with from Zone Chairman's school fit right into my thoughts. To promote more interaction and combined projects between our clubs. Think of what your club could do if you had 8 additional workers at one of your projects. If each club supplied just two workers for your club, at just one project a year, this can happen. In return, your club would donate two for each of the other clubs project. What happens? Each of us serves our communities to a greater extent. We learned how to do new projects. We share ideas and experience. Not a bad thing to do. Please consider this idea as we begin our year ahead.

ZC Tidbits:

CALENDAR

- Tyler Weaver is the recipient of the Ray Freeman Scholarship which is regularly awarded by the Lake City Lions Club. Tyler is also the grandson of Lake City member Bill Kehle. Congratulations to Tyler.
- At the same time of the officer training on September 17th, there will be training, brainstorming and idea sharing for membership committee members. This will be for all clubs throughout the District. Presidents—I recommend that you have as many of your committee members there as you can. Membership is still our top priority!
- During the first two weeks of August, PZC Kathy and I will be hosting a boy from Italy, Giovanni Napoletano. If you see him at the parade or other Lions functions, please give him a hearty welcome to the U.S.
- Secretaries—please remember to mail your MMR and VADD about the 25th of each month. Any activities the club does in the last five days can be reported on the next report. Do not hold your reports for an end of the month activity. Thanks.

ZC Rob
